Meet the 2023 Summer Rec Leadership Team!

Julie Nadeau,
Summer Programmer

Welcome to the Hermon Rec Summer Program, my name is Mrs. Nadeau AKA Julie and I'm the Hermon Rec Summer Programmer. I've been a resident of Hermon for 15 years with my husband Jonathan. I'm a mother of 5 Joshua, Josie Mai, Jesse, Jackson and Jameson. I also have four fur babies Jasper, Jinx, Joy, and Jinjer. I enjoy hikes, motorcycle rides, crafts and summer night fires. I'm looking forward to spending the summer with all of my returning and new Rec friends. I can't wait for jam packed days, field trips, and all the friendships and memories that will be made.

Caitlynn Tracy,
Assistant Programmer

Hello! My name is Caitlynn Tracy, and I am the assistant programmer for this amazing camp this summer. A few of my hobbies include working out, reading, and of course shopping. I am a dog mom and will talk about my two dogs for hours if you let me. I am currently finishing up my bachelors at Husson University in the Psychology program. I plan on working my way up to graduate with my doctoral degree in child development. This is my fifth summer working for Hermon Recreation and I always look forward to meeting all of the new families and continue to build on the past relationships that I have created as well!

Grace Kelly,
K-1st Grade Leader

My name is Grace Kelly and I am the K-1 Leader! I'm so excited to get to know your children this summer. A little about myself, I just graduated from Hermon High School and am going to the University of Maine Orono in the fall to study Biology so I can become a pediatric dentist in the future. I was the K-1 Leader last summer as well so I already know some of your children. I've been working at Hermon Recreation for a year and a half now and I believe that this is the most rewarding job, every day I get to put a smile on someone's face and I get to know that what I'm doing is making a difference. I love to read, exercise and just be outside. With this position I hope to know each child by the end of the summer, their likes, dislikes and what makes them happy. I can't wait to meet each and every one of your kids!

Kamryn Morin,
2-3rd Grade Leader

Hello! My name is Kamryn Morin, and I am going to be the leader of the 2nd and 3rd grade group this summer. A few things you might like to know about me are that I love to play soccer, read, snowboard, and do crafts! I am currently in the elementary education program at Husson University. So, this summer will be a great learning opportunity for me as well. My goal for this summer is to get to know each and every one of the kids on a personal level and to make sure that everyone is making memories and having a blast. This summer we will be playing in the sun a ton, going on fieldtrips, doing crafts, and playing new exciting games. Therefore I think my goals for this summer will definitely be accomplished, I can't wait!
