

Meet the 2024 Summer Rec Leadership Team!

Julie Nadeau, Summer Programmer

Welcome to the Hermon Summer Rec! I'm Julie Nadeau, I oversee the Hermon Summer Rec Program. I'm looking forward to spending the summer with all my returning and new Rec friends. I'm a mother to 5: Joshua(14), Josie Mai(13), Jesse(11), Jackson(10), and

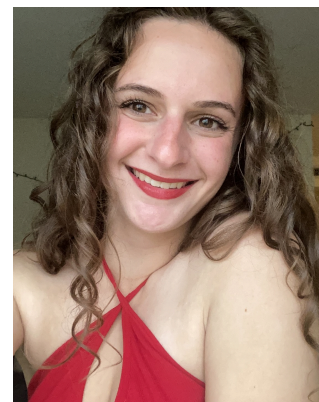

Jameson(10). I enjoy hikes with my puppies Jinjer, Jersey, and family and sneaking away on motorcycle rides wherever the road takes us. I can't wait for field trips, new friendships and making lifelong memories.

Lindsey Pellett Sub-Leader, all groups

Hello! My name is Lindsey Pellett, and I am one of the Hermon Recreation leaders this summer. This is my first year working here, and I am so excited to meet all of your children and build bonds with them! I am currently a sophomore at the University of Maine Orono studying elementary education, and

hope to be a preschool teacher in the future. I have experience in the observational preschool at UMO and fell in love with working with children, which led me to this job. Some of my hobbies include photography, singing, reading, and swimming! I'm so excited to make lasting memories this summer.

Hailey Welch, 1st & 2nd Grade Leader

Hi! I am Hailey Welch, and I am the 1st and 2nd grade leader this summer. I am beyond excited to get to know your children this summer! A few things you might like to know about me are that I love being outside, reading, going on walks, and going to concerts. I recently graduated from Hermon High School and

I am going to the University of Maine at Fort Kent in the fall for Nursing. Throughout my high school career I took part in many leadership courses and became a Certified Medical Assistant through United Technologies Center. As some of you may know I worked as the 4th-6th grade group leader last summer, and I have worked at Hermon Recreation for around 2 years! Working at Hermon Recreation is the most rewarding job, everyday I get to make an impact in these kiddos' lives and see a smile on their faces. I can't wait to make so many more fun memories this summer! I am super excited to go on some fun field trips and spend the summer outside with your kids! I am looking forward to meeting each and everyone of you and your children!

little about me, I just recently graduated from Thomas College; completing my bachelor's degree in psychology. I love to read, hang out with my friends, and be outdoors (at least when it's warm). I like to go kayaking, fishing, and simply soaking up the sun! As we move through this summer, I want to make sure every moment is filled with laughter, learning, and that each child is making unforgettable memories! I hope to make this summer the highlight of their year!
