#### Court 2

- 8 - 8:45 am** – Black Bear Crane & AM Roofing

At the elementary school there are 4 hoops that we will use (2 courts). Court 1 is closest to the lobby. Practices should be 45 mins - 1 hour. Coaches can do whatever skills activities they want to with their team in that time (practice, play against each other, do a group activity with the other team, etc.). Cancellations will be communicated via email and will be rescheduled if possible.
