Julie Nadeau

Hello, I'm Julie Nadeau and I oversee the Hermon Summer Rec Program. This is going to be my 4th summer working with the program and I am looking forward to spending the summer with all my returning and new Rec friends. I am originally a county girl, growing up in Madawaska, but have lived in Hermon with my husband for 17 years now. I'm a mother to 5: 4 boys and one girl: Joshua(15), Josie Mai(14), Jesse(12), Jackson(11), and Jameson(11) (yes they all have J names). When I am not having fun at work I enjoy hikes with my puppies Jinjer, Jersey, and family, shopping, and going on adventures on motorcycles. I can't wait for crafts, field trips, and making lifelong memories with all my Rec friends!

Summer Programmer

Claudia Hanlon

Hello! My name is Claudia Hanlon and I'll be the Assistant Manager for Summer Rec this year! I am looking forward to growing and creating relationships with the kiddos this summer. To introduce some things about me, I am graduating from Eastern Maine Community College with an Associate's Degree in Secondary Education. I will be continuing my education at the University of Maine Augusta in the fall of 2025. I enjoy being outdoors, especially in the summer. I love four-wheeling, as well as camping and hiking. I also have a huge fascination with cows!

This is my third summer working in the program. I started in an assistant management position last summer and have been continuing that into the Before and After Program. I love this job! My favorite part is seeing the kids happy. I hope this summer is our best yet! I look forward to meeting all of your families, kids and our new staff.

Assistant Manager

Mackenzie Gallant

Hi! I'm Kenzie and I'm so excited to start summer rec as a sub leader this year! It's my third year, and I can't wait to dive into all the fun activities and field trips we have planned. I love to be outside, play sports, and spend time with my family. I'm currently a senior at Hermon and plan on going to college for nursing! I'm super excited and looking forward to making this summer the best one yet!

Sub Leader

Michael Lessner

Hello! I'm Michael Lessner and I'm going to be leading the kindergarten group this summer. I'm super excited to meet all of the new faces. This is my second awesome summer at Rec. I'm a recent graduate of Hermon High School. I'm planning on attending Husson University and hope to become a pediatric occupational therapist. Some of my favorite things to do are reading, building legos, going on nature walks, and listening to music. I want to ensure a safe and welcoming environment for all of the kiddos and am looking forward to meeting everyone this summer. Here's to a great summer!

Kindergarten Leader

Lindsey Pellett

Hi! I'm Lindsey, and this is my second year working at Summer Rec. I am so excited to see the returning kiddos and meet all of the new ones. I am going into my junior year at the University of Maine Orono, studying Early Childhood Education and Psychology. I hope to become a teacher after I graduate, so Hermon Before & After / Summer Rec has been such a fun and fulfilling experience before then. Outside of school, I am a part-time sports photographer and am an officer in multiple clubs and research labs on the UMO campus. I'm so excited for this summer!

1st & 2nd Leader

Addison Waring

Hi! I'm Addy, and I am the 3/4 leader for this summer. I've been working at Rec for almost two years, and I am thrilled to be continuing my leadership journey here! I'm so excited to build connections with each and every person in my group and can't wait for all the fun, laughter, and memories we'll make together. This summer is going to be all about new friendships, exciting adventures, and creating a space where everyone feels included and valued. Whether we're playing games, exploring new activities, or just sharing a laugh, I want every camper to leave each day feeling happy and confident. Let's make this the best summer yet- I can't wait to get started! A little bit about myself; I recently graduated from Hermon High School and will be attending The University of Maine in the fall for Elementary Education. When I'm not at work, I love to bake, hang out with loved ones, watch movies, and swim (while it's warm)! I really hope this summer will be the best one yet!
