Regan Hoyt

Assistant Programmer

Claudia Hanlon

Program Manager

Michael Lessner

Kinder Leader

Mackenzie Gallant

1st & 2nd Leader

Addison Waning

3rd & 4th Leader

Julie Nadeau

I'm Julie Nadeau and I'm thrilled to be back for my 5th Summer with Hermon Rec! I can't wait to spend another amazing summer with all my returning campers and meeting lots of new ones too! I'm originally from the uppermost part of the County but have called Hermon home since 2008. I'm a proud mom of five awesome kids Joshua, Josie Mai, Jesse, Jackson, and Jameson who keep life fun and busy! When I'm not having a blast at Summer Rec, you'll probably find me hiking with my family and dogs, getting lost in a good book, or heading out on a motorcycle adventure with my husband. This summer is all about fun, friendship, and unforgettable memories and I can't wait to make them with all of you!

Summer Programmer

Regan Hoyt

Hi! My name is Regan, and I'm excited to be returning to Hermon Parks and Recreation for my second summer as an Assistant Programmer. I also work in the before- and after-school program, and I have over six years of experience working with children. I had an amazing time last summer creating fun memories with the kids, and I'm looking forward to another great summer! In the winter, I enjoy playing hockey and skating with my nephew. During the summer, you can find me outdoors—whether I'm hiking, playing golf, fishing or going out on the lake. I'm a big sports fan and also enjoy going to concerts and playing video games. I'm excited to meet everyone and make this summer fun, active, and memorable!

Assistant Programmer

Claudia Hanlon

Hi! My name is Claudia and I am the program manager for Summer Rec 2026!! I am looking forward to new faces and returning faces for an amazing summer! This will be my fourth summer with Hermon Recreation! Some things about me are I am a third year college student at the University of Maine Augusta, with an associates degree in Secondary Education. I have a passion for working with kids and have loved being at Hermon Rec. When not working at REC I love being outdoors; including ATV riding, camping, and hiking. I have a campsite on China Lake in China Maine with my family where we stay nearly every weekend of the summer. We have a fun summer planned for all of your campers!! I cannot wait to create new memories with all of our REC friends, families, and staff members!

Here's to an exciting summer 2026!!

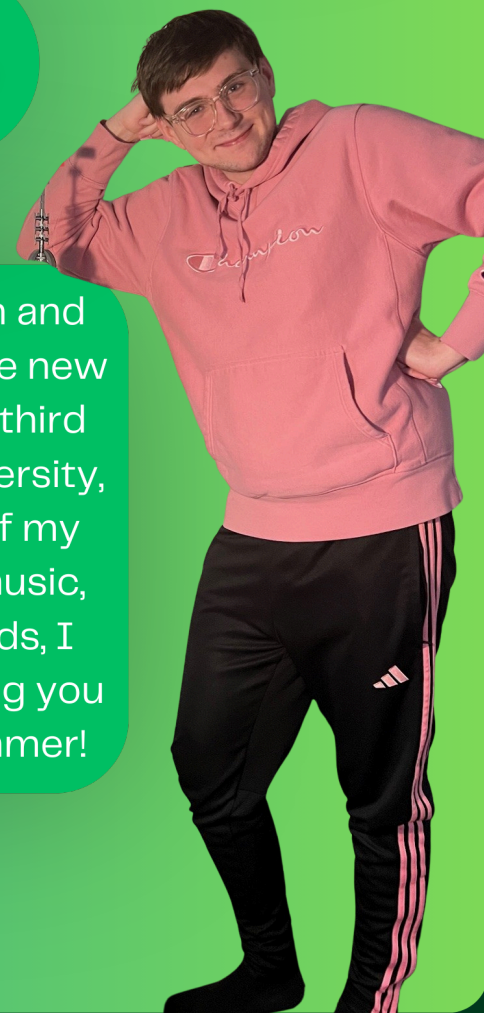

Assistant Manager

Michael Lessner

Kindergarten Leader

Hey, I'm Michael, and I'm going to be leading the kindergarten and first-grade group this summer. I'm really excited to meet all the new faces and reconnect with some "old" faces as well. This is my third amazing summer at Hermon Recreation. I attend Husson University, aiming to become a pediatric occupational therapist. Some of my favorite things to do are building Legos, reading, dancing to music, and hanging out with my friends. Last year at the camp awards, I won the Goofy Leader Award, so that should tell you everything you need to know about me. Here's to an absolutely fantastic summer!

Mackenzie Gallant

Hi! I'm Kenzie, and i'm the group B leader this summer. This is my fourth year here, and I'm really excited to be back. I'm looking forward to getting to know everyone in my group and having a fun summer together. A little about me, I just graduated from Hermon and will be going to Husson University in the fall as a freshman studying nursing. Outside of work, I like spending time with friends and family, being active, and being outside during the summer. I'm excited for a great summer and can't wait to get started!

1st & 2nd Grade Leader

Addison Waning

Hi! I'm Addy, and I am the ¾ leader for this summer. I've been working at Rec for almost three years, and this will be my second summer as a group leader. I'm excited to see not only my returners from last summer, but all the new faces as well! I hope to create a summer full of memories for all of the campers! A little bit about myself; I am currently a second year student attending The University of Maine for Elementary Education. When I'm not working, you can find me baking yummy treats in the kitchen, spending time with loved ones, swimming, or spending time outside!

3rd & 4th Grade Leader
